

ULTRA Shot

Ultra Shot™, Ainsworth's new games series in the credit collection genre featuring multi-level collection points with added multipliers. The configuration comes with a fix Grand bonus, Major Standalone Jackpot, and 2 levels of Scalable Bonuses. Ultra Shot™ also features two types of configurations in a multi-denomination format with fixed lineage and bet.

Presenting a mix of free game features with classic legacy themes, coupled with a new Ultra Shot™ feature, this game series provides familiarity with strong bonusing credit elements for the modern-day player.
