

A NEW ERA × RAPTOR

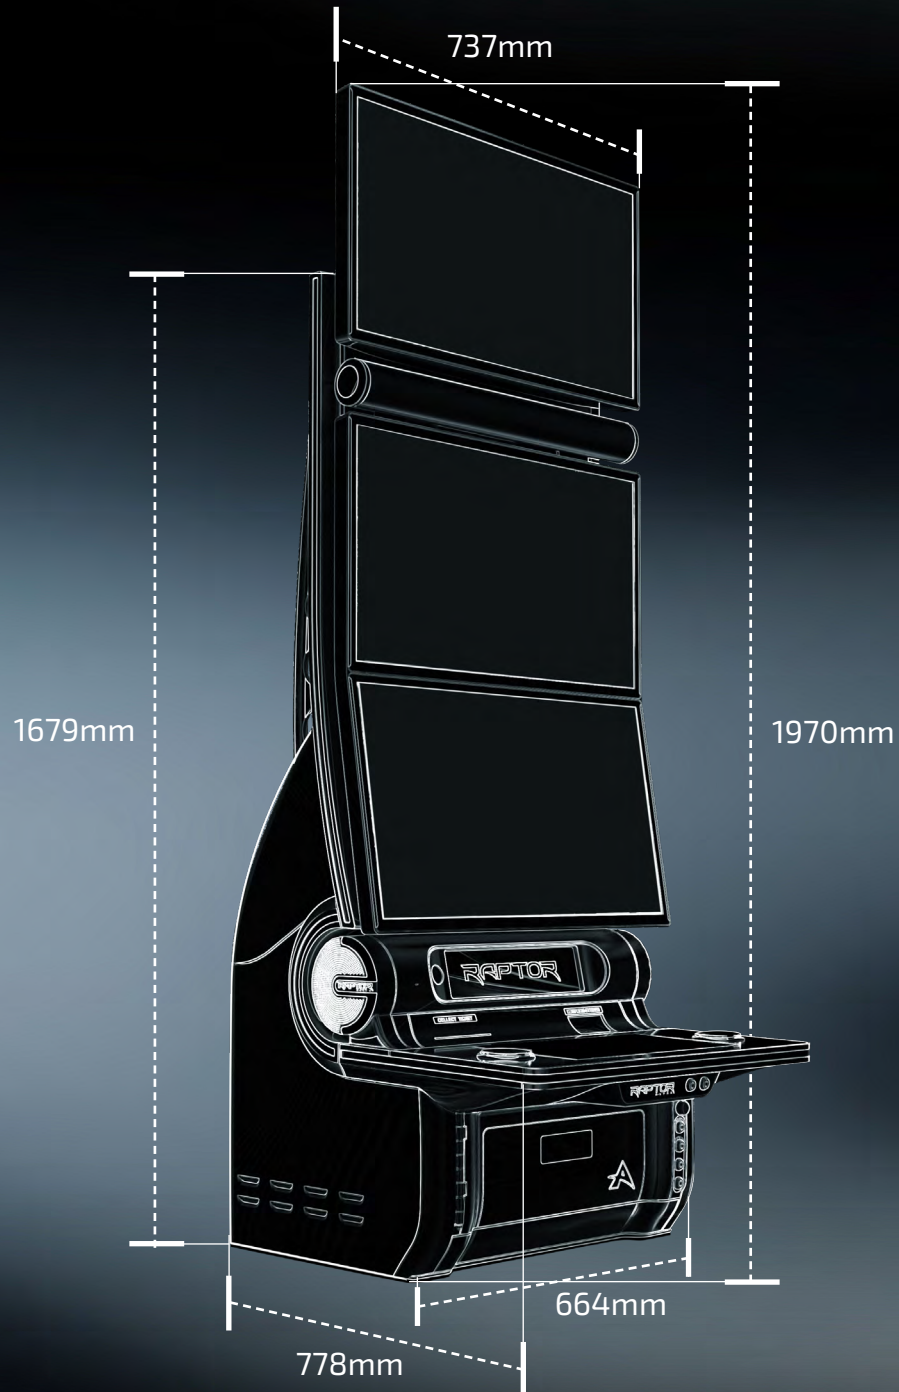

As Ainsworth embarks on A New Era in 2025, we are proud to introduce the next-generation RAPTOR™ Dual Screen Cabinet—a cutting-edge gaming machine paired with a dynamic portfolio of games. This launch marks a strategic milestone designed to elevate player engagement and drive operational success.

The RAPTOR™ cabinet sets a new standard for gaming excellence, blending ergonomic comfort, sleek aesthetics, and superior audiovisual performance. Designed with both players and operators in mind, it ensures enhanced engagement, durability, and operational efficiency.

Ainsworth's game development strategy for 2025 emphasizes simplicity and trending mechanisms, including "Cash on Reels," "Hold N Spin," and "Credit Collection," aimed at capturing market interest and aligning with player preferences. The portfolio is further strengthened by a focus on Stand-Alone Progressive (SAP) products, reducing reliance on single-game brands and enhancing resilience.

Join us as we step into Ainsworth's New Era!

• Cylindrical above-monitor speaker for immersive sound.

• Triple 32" High-definition monitors delivering stunning graphics.

• 18.5-inch Touchscreen button deck with twin bash buttons for enhanced Interactivity.

• Premium LED lighting package and surround sound for a captivating gaming experience.

• Distinctive cylindrical player tracking display.
